

FDL Community Input Meeting Minutes

Date: 4/14/21

Delegates present: Wayne Dupuis (Facilitator), Cheryl Edwards, Lyz Jaakola, Steve Thomas, Connie Saaristo, Nookomis, Tara Kimmel,

Community Present: Mary & Mark Stone-McConnell, Jim, John Saaristo

Agenda Item and person presenting	Discussion	Action	F/U Person Initials	Completed Date
Governmental Structure	Governmental Structure slide show presented by Wayne and Cheryl FDL History slideshow presented by Lyz and Wayne			
Survey committee	Participation issues again Email sent by Steve laying out plan to gauge community support for what we have done, gain community input for what we have left to do, and seek support from education/drafting committee to come up with additional information including how the community can get involved.			
	Technical issues interrupted the meeting at 6:55			
Review and passing the 3/24/21 minutes	Corrections made and PASSED	Steve sent corrected minutes to delegate@fdlconstitution.org		

TEC request from the convention	Wayne asked that we request the convention send a request for the TEC to provide demographics, perhaps compelling them to hire actuaries to cull the information from MCT database. Data will help our cause. Birth rate, death rate, current pop, date of death organized to show trends Healthcare system may be able to provide more descriptive information. Healthcare system would have better numbers for descendants.	Our delegation will request that the convention will request data from the TEC.		
Descendants serving as delegates	In an effort to be open and honest, we feel we need to let the convention know of our inclusion of descendants.	Our delegation will let the convention know of the roll of descendants in our delegation and accept feedback		
	Executive meeting set for 4/21/21		Connie will facilitate the 4/28/21 community input meeting
