OLD BUSINESS

1. Enrollment recommendation to TEC on 10-29-21. Cheryl Edwards will attend.
2. Government Structure - What/how do you envision government oversight? Do you like how the RBC and TEC make decisions? Do you know how to formally protest a decision? What does the BIA have to do with it? Why is the Secretary of the Interior a part of OUR Constitution?

NEW BUSINESS

1. Rights of Nature: What do we want to say in this section of our revision? How did White Earth word their document for Rights of Manoomin? It may be a good example.
